Pandemic in resumption and conducting of physical classes in the school, though a fees increase of 7.5% one the interim fees applicable for the academic year 2019-20 was approved for the academic year 2020-21 to 2021-22, but the school Management has not increased the approved interim fees increase of 7.5% for the academic session. 2019-20.
Considering the fact that the Covid-19 pandemic has had its damaging effect on the financial condition of several families and to enable the parents to ensure a smooth flow of education of their wards and regular payment of fees to the school, the management has considered the request of parents sympathetically and has granted a waiver of 10% on the interim fees for the Academic year – 2020-21
Further to above, the management has allowed waiver of 75% equal to approved increase in the interim fees for the academic year 2021-22 solely on humanitarian grounds.

13. In case of fees increase approval by EPTA:-

a) School management has proposed the increase in school fees by 15 % over the fees applicable for the academic year 2021-22. The above proposal has been considered by the Executive Parents Teachers Association (here in after referred to as “EPTA”), keeping in mind the various factors mentioned in section of the Maharashtra Educational Institutions (Regulation of fees) Act, 2011 (here in after referred to as 'said' Act') and has aproned and agreed for 10%over the fees applicable for the Academic year 2021-22. This approved fees will be applicable for the academic sessions 2022-23 and 2023-24.

As of new, proceedings are pending before DRFC relating to the increase of fees for the year 2019-20 and therefore, presently the increase is being proposed on the fees agreed by the EPTA during the EPTA meetings for deciding the increase in fees for the year 2020-21 and 2021-22. In case any order is passed by DFRC allowing the increase / decese for the aforesaid year, then the proportionate quantum will be added / defueled in the fees that will be finalised / approved by the EPTA for the A.Y. 2022-23 and 20-23-24.

Though the above increase of fees has been approved by the EPTA, in case of any difficulty in resumption and conducting of physical classes in the school, the school Management shall consider granting waiver of 2% in fees.
