Theme – Myself

Dear Parents,

Welcome to the new school year 2024-2025! This year will be full of fun learning and activities. Our team is here to help your ward learn and grow in a safe and caring environment. We want every child to feel excited about learning and to discover their unique talents.

Over the past four weeks, our students have been exploring the theme "**Myself.**" We're excited to share the knowledge and insights your child has gained, including:

- **Self-Identity:** Recognizing and expressing their name, age, likes, and dislikes.
- **Family and Friends:** Understanding the roles and relationships of family members and friends.
- **Body Awareness:** Learning about body parts and senses, and how they function.
- **Personal Hygiene:** Emphasizing the importance of good hygiene and healthy habits.
- **Emotions and Feelings:** Recognizing and expressing emotions, fostering emotional intelligence and empathy.

Children are remarkable learners who absorb knowledge and values swiftly. As educators and parents, we share the responsibility of nurturing and guiding these young minds towards a future filled with fulfillment and purpose.

We are committed to providing your child with a well-rounded and enriching educational experience. We believe that working together with parents is important. Please stay in touch, share your thoughts, and ask any questions you have. Together, we can make this a great year for our children.

Thank you for trusting us with your child's education. We look forward to a wonderful year!
Good day!

With Sincere Regards,
Preschool Head
Mrs. Rakhi Parmar

My First Day of School

See me skip.
 See me run.
 I'm going to like everyone.
 See me smile.
 See me grin,
 When the teacher calls me in.
 See me work.
 See me play.
 I'm in school -
 Hip, hip, hooray!
